

Take Care Cape Cod

Ambassador Program

Roles and Responsibilities 2024

(Subject to change)

Field Supervisor:

- Act as the liaison between the team and Take Care Ambassadors (TCA).
- Greet and gather all Take Care Ambassadors (TCA) at the beginning of the game.
- Provide a brief "training session" for the TCA group.
- Hand out TCA bibs, hats and Take Care stickers to TCA.
- Guide placement of recycling bins and Take Care messaging at beginning of game.
- At the end of the game collect bibs and any leftover stickers. Volunteers are invited to keep the hats with our gratitude.
- See that recycling bins and collection are stored properly (process may differ slightly in each town).

Take Care Ambassador:

- Assist with placement of recycling bins.
- Place Take Care messages in designated locations such as on the bins.
- Greet spectators at the games.
- Guide proper disposal of bottles and cans into recycling bins.
- Offer Take Care stickers to youth.
- Man Take Care/CARE table when provided at specific games.
- Assist with proper collection and storage of recycling and bins (process may differ slightly in each town).
